

AtherisReader Creator License

AtherisReader Creator License Agreement

=====

License Holder: Creator

Email: alanwalkerfaded69207@gmail.com

Platform: AtherisReader

Coin System: AtherisCoin

Date Issued: 2025-05-12

License Type: Creator Ownership License

This license grants Creator full ownership and operational rights over the AtherisReader platform.

This includes the right to:

- Modify and customize all frontend/backend code
- Deploy the platform commercially and non-commercially
- Monetize all features, including AtherisCoin, wallet, ads, and marketplace
- Rebrand, distribute, and expand the project under the Creator's authority

Enforcement of Platform Roles:

- "Creator" is a reserved, unchangeable identity with system override authority.
- All coin value changes, module overrides, and NPC integrity actions are locked to Creator.

By using this license, the Creator assumes responsibility for platform usage, earnings, and user interaction protocols.
